

# God's Prophetic Calendars

## **The 7000 Year Week (A Day with the Lord is as 1000 years)**

4004 BC Genesis Creation + Plus 4000 years = 4 BC

4 BC Birth of Jesus in Bethlehem, + 2000 years = 1996

1996 AD – 6000 years since creation – a year of no known significance.

2022 the upcoming year: natural calculation seems to infer 26 years overdue. This calendar also seems to have taken a pause somewhere. Was it during the years of Jesus? Someday we will know and it will be perfection of time. Or have we already passed into the 7<sup>th</sup> (Sabbath) day, which begins with darkness (sunset)? It certainly doesn't seem like we have entered into a time of 1000 year millennial rest yet. I expect the Parousia of Christ to mark that beginning.

## **Daniel's 70 Week Calendar (Daniel 9:24-25)**

457 BC The Order to Rebuild Jerusalem

69 weeks (periods of seven) x 7 = 483 years [457 BC to 26 AD = 483 years]

26 AD Jesus, The Christ, is Baptized by John. Jesus Christ begins His 3 ½ year ministry as the Messiah. Daniel's 70th week begins.

30 AD Crucifixion, Messiah is cut off in the midst of the week (Dan 9: 26-27). Daniel's 70-week calendar (or clock) pauses at 30 AD, at 69 ½ weeks. As of the beginning of the coming year, it will have been on hold for 1992 years. The last half of the 70<sup>th</sup> week (3 ½ years) of the covenant yet to be fulfilled by sons of God, in a time of great tribulation.
